RE: Message from the Trustees of Reservation

Please see the message below from the Trustees about changes for dog walking and horseback riding at Crane Beach:

Changes at Crane Beach

In our effort to make our properties accessible while also keeping our staff safe, we recently made our properties with gated admission free. Unfortunately, some places have become too busy, causing concern for public health and safety. As a result, in consultation with the Town of Ipswich, we are prioritizing people during this unprecedented time and will no longer allow dogs on Crane Beach. Horses will no longer be permitted on the weekends.

If you choose to visit Crane beach, please strictly follow all CDC recommended actions, including keeping a minimum of 6 feet from other people. Please note that there are no facilities open at Crane beach. Please provide a wide berth and respect for all.
